PROFILE

Motivated Computer Information Technology student at Lethbridge College with a passion for web development, particularly in HTML email development. Skilled in HTML/CSS, customer service, and problem-solving, with a demonstrated ability to thrive in fast-paced environments. Currently seeking an HTML Email Developer position to leverage my skills in coding and responsive design while continuing to learn and grow in the web development field.

WORK EXPERIENCE

Mobile Technician

London Drugs   Aug 2024-Present

- Diagnose and repair Samsung and Apple devices, providing hands-on technical support for hardware and software issues.
- Deliver personalized service and clear communication to ensure high customer satisfaction and trust.
- Collaborate with team members to streamline repair processes, enhance service quality, and support efficient store operations.

Crew Member

Burger King   Oct 2022-Aug 2024

- Delivered exceptional customer service at both the front counter and drive-through stations.
- Ensured cleanliness of workstations and proficiently operated cash registers.
- Expertly packaged and delivered customers' food orders.

Door to Door Salesperson

College Pro   May 2023-Oct- 2023

- Demonstrated strong sales skills through effective pitches and acquiring new customers.
- Consistently delivered high-quality services to customers.
- Maintained a professional and positive demeanor while meeting sales targets.
